Iceland By Andrew Dr Evans

Replete with lava flows, colossal glaciers and thundering waterfalls, Iceland is one of Europe's most unusual destinations. This brand-new edition of Bradt's *Iceland* guide gives everything needed to break free from the pack and explore Iceland, a country increasingly accessible and affordable, on your own. Containing information on remote offshore islands, the uninhabited interior and Reykjavik's bustling music and art scene, this remains the definitive guide. Compared to 2011, 2012 saw a 13.8% and 32% rise in summer and winter visitors to the country respectively, of which over 25% were arrivals from either the US or UK.

Editorial Review

Review

'Full of fascinating details in writing, graphics and photos, Iceland delves deeply into the country in a format that often resists depth. Evans knows the country, and it shows.'

JUDGES' COMMENTS – Society of American Travel Writers Foundation 2008 Lowell Thomas Travel Journalism Silver Award for Best Guidebook

'...highly informative.'

Transworld Surf

'Recommended reading'

Country Walking Magazine

'The second updated edition of ICELAND is for independent travelers who want to explore the country's many gorgeous settings, and provides a rare in-depth travel guide geared to independent travelers. Practical advice for accommodation, nature, and the outdoors are contained in a satisfying synthesis of history, cultural insights, and practical travel applications. There are relatively few travel guides devoted to Iceland alone, making this a top recommendation for independent travelers to Iceland who want a thorough guide to just that country, not the regional guides which are more commonly offered.'

Midwest Book Review

From the Back Cover

- Explore Iceland's rich saga history in Vesturland
- Climb to the top of Hallgrímskirkja, Reykjavík's tallest building
- Discover the country's largest glaciers in the remote Hálendið
- Cross into the Arctic Circle on windswept Grímsey Island
- Experience traditional Icelandic cuisine and sample *skyr* or *hákarl*

With its combination of raw nature, ancient culture and overwhelming beauty, Iceland leaves an indelible imprint on those who visit. Stroll through the quirky capital of Reykjavík, with its colourful timber houses set against majestic Mount Esja, and then travel to Jökulsárlón's black-sand lagoon to see icebergs up close. Hike through the dramatic landscapes of Landmannalaugar or the volatile geothermal area around Lake Mývatn, then head to the Látrabjarg bird cliffs to watch the antics of hundreds of thousands of puffins.

Fully updated in its third edition and packed with practical advice – from detailed maps and accommodation for all budgets to little-visited hot springs and the best horse-trekking sites – Bradt's Iceland offers the most comprehensive coverage of this beguiling land of ice and fire.

Andrew Evans is an award-winning travel writer who has also written Bradt's Ukraine.

About the Author

Andrew Evans was born in Texas and educated in England. He made his first trip to Iceland in 1998 and has been back over a dozen times since. Users Review

From reader reviews:

Tom Scott:

In this 21st hundred years, people become competitive in each way. By being competitive right now, people have do something to make them survives, being in the middle of typically the crowded place and notice simply by surrounding. One thing that at times many people have underestimated it for a while is reading. Yes, by reading a reserve your ability to survive enhance then having chance to endure than other is high. In your case who want to start reading the book, we give you this Iceland book as nice and daily reading guide. Why, because this book is usually more than just a book.

Marie Boyd:

This Iceland are reliable for you who want to certainly be a successful person, why. The reason why of this Iceland can be among the great books you must have is giving you more than just simple studying food but feed a person with information that perhaps will shock your earlier knowledge. This book is usually handy, you can bring it almost everywhere and whenever your conditions throughout the e-book and printed ones. Beside that this Iceland forcing you to have an enormous of experience such as rich vocabulary, giving you demo of critical thinking that we know it useful in your day action. So , let's have it and enjoy reading.

Billie Brown:

Do you have something that that suits you such as book? The book lovers usually prefer to decide on book like comic, brief story and the biggest one is novel. Now, why not attempting Iceland that give your enjoyment preference will be satisfied through reading this book. Reading habit all over the world can be said as the opportunity for people to know world far better then how they react toward the world. It can't be stated constantly that reading practice only for the geeky man but for all of you who wants to end up being success person. So , for every you who want to start reading through as your good habit, you are able to pick Iceland become your starter.

Annie Fowler:

Do you like reading a reserve? Confuse to looking for your selected book? Or your book was rare? Why so many query for the book? But any people feel that they enjoy intended for reading. Some people likes examining, not only science book but also novel and Iceland as well as others sources were given expertise for you. After you know how the truly amazing a book, you feel want to read more and more. Science reserve was created for teacher or maybe students especially. Those books are helping them to bring their knowledge. In different case, beside science reserve, any other book likes Iceland to make your spare time a lot more colorful. Many types of book like this.
