Kate Chopin - "The Storm of The Storm" By Kerstin Krauss

Seminar paper from the year 2008 in the subject American Studies - Literature, grade: 1,0, University of Tübingen (Eberhard Karls-Universität Tübingen und University of North Texas), course: Seminar American Short Stories, 11 entries in the bibliography, language: English, abstract: Your paper is excellent. I enjoyed reading it and gave you an A. I've taught "The Storm" many times and what always strikes me about it is the strong emotional reaction my students have to the story - it is still disturbing in exactly the ways that you discuss in your paper. My male students seem to be more disturbed by the story, and Chopin's other works, than my female students.
