The Best of Stephen R. Donaldson By Stephen R. Donaldson

Although best known for such epic accomplishments as the ongoing Chronicles of Thomas Covenant and the multi-volume Gap Cycle, Stephen R. Donaldson has also written some of the most distinctive short fiction of recent decades. This generous collection brings together much of the best of that shorter work and provides an ideal showcase for its author's depth, versatility, and consummate literary artistry.

Included here are eleven stories and novellas that run the gamut from horror (The Conqueror Worm) to high fantasy (Daughter of Regals), from contemporary spiritual drama (Unworthy of the Angel) to action-oriented SF (Animal Lover), together with such uncategorizable gems as The Killing Stroke, with its unique combination of magic and martial arts, and The Woman Who Loved Pigs, an astonishing account of personal transformation and long-delayed revenge.

In settings that range from the deeply familiar to the wholly imagined, The Best of Stephen R. Donaldson offers a gallery of tales that have the resonance and moral complexity of compact novels. Beneath their often-gaudy surfaces, they show us very real people who confront, and sometimes overcome, extreme adversity, who struggle to find balance and harmony in an inherently chaotic universe. Each story is the clear product of a master storyteller. Each demands and rewards repeated readings. Together, they form one of the cornerstone volumes of modern fantasy, a book that will be read and treasured by Donaldson's many fans, and by anyone who values imaginative literature at its finest.

Editorial Review

From Publishers Weekly

Editor Bill Sheehan selects 11 short works by Donaldson, best known for his long-running Thomas Covenant series, for this retrospective, which is uncluttered by commentary from the author or editor. Published between 1978 and 1999, these fantasy and science fiction stories are generally gloomy but occasionally depict protagonists prevailing: the title character of "Daughter of Regals" overcomes conniving would-be usurpers, while the oppressive regime of the futuristic "Mythological Beast" can only fail in its quest to crush wonder. Sheehan belies the collection's title with the inclusion of some lesser stories, like the castration fantasy "The Conqueror Worm," but on the whole the restrictions of length force Donaldson to adopt appealingly disciplined prose while exploring intriguing ideas. From reader reviews:

Stephen Ziegler:

The reason why? Because this The Best of Stephen R. Donaldson is an unordinary book that the inside of the guide waiting for you to snap this but latter it will distress you with the secret it inside. Reading this book alongside it was fantastic author who write the book in such awesome way makes the content on the inside easier to understand, entertaining approach but still convey the meaning thoroughly. So , it is good for you for not hesitating having this ever again or you going to regret it. This book will give you a lot of rewards than the other book have such as help improving your skill and your critical thinking method. So , still want to hesitate having that book? If I had been you I will go to the publication store hurriedly.

Mary Fleeman:

Is it you who having spare time in that case spend it whole day through watching television programs or just lying on the bed? Do you need something new? This The Best of Stephen R. Donaldson can be the solution, oh how comes? The new book you know. You are so out of date, spending your extra time by reading in this brand-new era is common not a nerd activity. So what these guides have than the others?

Kevin Hamby:

Don't be worry when you are afraid that this book will filled the space in your house, you will get it in e-book means, more simple and reachable. This specific The Best of Stephen R. Donaldson can give you a lot of buddies because by you looking at this one book you have point that they don't and make an individual more like an interesting person. This kind of book can be one of a step for you to get success. This e-book offer you information that probably your friend doesn't know, by knowing more than different make you to be great people. So , why hesitate? Let's have The Best of Stephen R. Donaldson.

Keith Robertson:

What is your hobby? Have you heard in which question when you got learners? We believe that that query was given by teacher to their students. Many kinds of hobby, Everyone has different hobby. Therefore you know that little person just like reading or as studying become their hobby. You need to know that reading is very important and also book as to be the thing. Book is important thing to provide you knowledge, except your personal teacher or lecturer. You get good news or update with regards to something by book. Amount types of books that can you choose to adopt be your object. One of them is The Best of Stephen R. Donaldson.
