The Ethics of Tourism: Critical and Applied Perspectives By Brent Lovelock, Kirsten Lovelock

There are increasingly strident calls from many sectors of society for the tourism industry, the world's largest industry, to adopt a more ethical approach to the way it does business. In particular there has been an emphasis placed on the need for a more ethical approach to the way the tourism industry interacts with consumers, the environment, with indigenous peoples, those in poverty, and those in destinations suffering human rights abuses.

This book introduces students to the important topic of tourism ethics and illustrates how ethical principles and theory can be applied to address contemporary tourism industry issues. A critical role of the book is to highlight the ethical challenges in the tourism industry and to situate tourism ethics within wider contemporary discussions of ethics in general. Integrating theory and practice the book analyses a broad range of topical and relevant tourism ethical issues from the urgent 'big-picture' problems facing the industry as a whole (e.g. air travel and global warming) to more micro-scale everyday issues that may face individual tourism operators, or indeed, individual tourists. The book applies relevant ethical frameworks to each issue, addressing a range of ethical approaches to provide the reader with a firm grounding of applied ethics, from first principles. International case studies with reflective questions at the end are integrated throughout to provide readers with valuable insight into real world ethical dilemmas, encouraging critical analysis of tourism ethical issues as well as ethically determined decisions. Discussion questions and annotated further reading are included to aid further understanding.

The Ethics of Tourism: Critical and Applied Perspectives is essential reading for all Tourism students globally.

Editorial Review

Review

'The Ethics of Tourism is a significant contribution to the tourism literature. It provides the first comprehensive review of ethics across the breadth of travel and tourism experiences, and presents this in a clear and accessible manner for both students and tourism professionals. The Lovelocks demonstrate the importance of ethical considerations in tourism development, management and behaviour, making this fundamental reading for all tourism professionals.' - Alan A. Lew, *Department of Geography, Planning and Recreation, Northern Arizona University*

'This is the comprehensive book on tourism and ethics that students and staff have been waiting for. Written in a friendly and engaging manner, it is sure to become a 'must have' and sets a new benchmark in tourism studies' - Kevin Hannam, *School of Events, Tourism and Hospitality, Leeds Metropolitan University*

'The Ethics of Tourism is an important addition towards tourism sustainability theory... [It] has an inner structure that is easy to follow combined with novelty approach and practical application. It is enjoyable to read and could be appreciated by both academics and more general audience.' - Miroslava Dimitrova, *European Journal of Tourism Research*

'I do recommend this book wholeheartedly. Quite simply, it is excellent: it is extremely well-written; is very clearly laid out; includes a fine overview of the theory and practice of ethics both in general and as they apply to tourism; and has excellent case studies, discussion points, chapter reviews, and extensive bibliographies.' - Paul F. Wilkinson, *Tourism Management*

About the Author

Kirsten M. Lovelock is a Senior Research Fellow in the Department of Preventive and Social Medicine, University of Otago, New Zealand.

Users Review

From reader reviews:

Alexander Macdougall:

Do you have favorite book? For those who have, what is your favorite's book? Publication is very important thing for us to learn everything in the world. Each book has different aim as well as goal; it means that book has different type. Some people experience enjoy to spend their a chance to read a book. They are reading whatever they get because their hobby is actually reading a book. How about the person who don't like reading through a book? Sometime, individual feel need book if they found difficult problem as well as

exercise. Well, probably you will want this *The Ethics of Tourism: Critical and Applied Perspectives*.

Lisa Maurer:

The reason? Because this *The Ethics of Tourism: Critical and Applied Perspectives* is an unordinary book that the inside of the guide waiting for you to snap the item but latter it will jolt you with the secret the item inside. Reading this book close to it was fantastic author who also write the book in such wonderful way makes the content on the inside easier to understand, entertaining approach but still convey the meaning completely. So , it is good for you because of not hesitating having this ever again or you going to regret it. This phenomenal book will give you a lot of gains than the other book get such as help improving your skill and your critical thinking technique. So , still want to hesitate having that book? If I had been you I will go to the book store hurriedly.

James Baker:

Are you kind of occupied person, only have 10 or even 15 minute in your day time to upgrading your mind proficiency or thinking skill also analytical thinking? Then you have problem with the book when compared with can satisfy your limited time to read it because this all time you only find publication that need more time to be learn. *The Ethics of Tourism: Critical and Applied Perspectives* can be your answer because it can be read by an individual who have those short free time problems.

Eunice Holt:

As we know that book is significant thing to add our understanding for everything. By a publication we can know everything we really wish for. A book is a range of written, printed, illustrated or perhaps blank sheet. Every year has been exactly added. This book *The Ethics of Tourism: Critical and Applied Perspectives* was filled about science. Spend your time to add your knowledge about your scientific research competence. Some people has various feel when they reading any book. If you know how big advantage of a book, you can truly feel enjoy to read a guide. In the modern era like now, many ways to get book you wanted.
