Editorial Review

Review

Easily accessible, bottom-of-the-page notes provide outstanding illumination of the text's literary and historical contexts, particularly biblical and nautical references that might otherwise elude modern readers. No other edition provides a better insight into the (sometimes murky) compositional processes behind this classic work of fiction. For fans of Sutherland's unique detective-style readings, the appendix of puzzles and conundrums will prove an added bonus. **Roslyn Jolly, University of New South Wales**

Broadview's new edition of Robert Louis Stevenson's classic *Treasure Island* is an excellent teaching text because of its detailed textual annotations, which help guide readers through the book's nineteenth-century context. As a historian, I appreciate how these annotations, along with the five appendices, place Stevenson's fantasy in context with popular seventeenth- and eighteenth-century textual influences on pirate mythology. John Sutherland finishes the edition with a series of puzzles and conundrums raised by the story; these are bound to stimulate discussion in a seminar setting. **Mark Hanna, University of California, San Diego**

From the Publisher

This book is in Electronic Paperback Format. If you view this book on any of the computer systems below, it will look like a book. Simple to run, no program to install. Just put the CD in your CDROM drive and start reading. The simple easy to use interface is child tested at pre-school levels.

Windows 3.11, Windows/95, Windows/98, OS/2 and MacIntosh and Linux with Windows Emulation.

Includes Quiet Vision's Dynamic Index. the ability to build a index for any set of characters or words.

From the Back Cover

The main issue in the novel is the disappearance of Edwin Drood and the suspicion that he has been murdered. But as intriguing as this central plot are the startling innovations in Dicken's work and the troubled elements lurking within the novel: a dark opium underworld, the uneasy and violent fantasies of its inhabitants, the disquieting presence of old 'Princess Puffer', of the quiet cathedral town of Cloisterham from which people have to escape in order to save themselves--and, at the centre, the menacing figure of Jasper.

Users Review

From reader reviews:

John Householder:

Within other case, little persons like to read book The Mystery of Edwin Drood. You can choose the best book if you like reading a book. Providing we know about how is important a book The Mystery of Edwin Drood. You can add know-how and of course you can around the world with a book.
